

NEVADA DEPARTMENT OF TRANSPORTATION NOTICE

PROJECT NEON PUBLIC MEETING

WHEN: Wednesday, December 7, 2016, 4-7PM, Presentation at 5:30PM

WHERE: Historic Fifth Street School, 401 S. 4th St., Las Vegas, NV 89101

If you cannot attend in person, please join us via Facebook Live at 5:30pm on December 7 to watch the presentation and submit your comments or questions. [Facebook.com/NDOTProjectNeon](https://www.facebook.com/NDOTProjectNeon).

PURPOSE OF MEETING: The Nevada Department of Transportation (NDOT) is hosting a public meeting to provide an update on Project Neon. Nearly two decades in the making, Project Neon is the largest public works project in Nevada history. The project is improving 3.7 miles of Interstate 15 between Sahara Avenue and the “Spaghetti Bowl” Interchange in downtown Las Vegas, currently the busiest stretch of highway in Nevada.

During the public meeting, you’ll have the opportunity to experience our virtual reality tour of the completed project. You’ll also learn about project highlights, including a new High Occupancy Vehicle (HOV) direct connect between U.S. 95 and I-15, conversion of express lanes on I-15 to an HOV lane and general purpose lane, the new I-15 HOV interchange just south of Charleston Boulevard (“Neon Gateway”), reconstruction of the Charleston Boulevard interchange, the realignment of MLK Boulevard with a flyover at Charleston Boulevard, extension of Grand Central Parkway to Industrial Road, and more. You’ll also learn about the construction planned for 2017, and associated potential traffic impacts. We will also present information about soundwall installations and the schedule for development of new downtown connections. You’ll be able to meet the project team, ask questions, and provide comments. *Parking is available at the school and in the City parking garage to the west of the school.*

CONTACT: For more information about the meeting, contact Dale Keller at 702.667.4533. If you are unable to attend in person, please visit us online at NDOTProjectNeon.com or send your comments to dkeller@dot.state.nv.us.
